Stories can help with this process by showing children what people's lives are like where they live and in other parts of the world. Language and Learning Stories are a great way to introduce new words and ideas into a child's language - starting with picture books for the very young, working up to more complex novels for teenagers.

### Why are stories important for children?

Write the first draft of your story in as short a time as possible. If you're writing a short story, try to write it in one sitting. If you're writing a novel, try to write it in one season (three months). Don't worry too much about plotting or outlining beforehand.
