CARING FOR OLDER ADULTS - National League for Nursing

Can you go to nursing school as an older adult? People switch careers all the time during their life and choose to go to nursing school in their 30s, 40s, 50s, and 60s (yes, even 60s). Nursing school isn't just for twenty year olds, as some may think. Sadly, I have heard of people who contemplated not going to nursing school because they thought they were too "old".

Tips on Going to Nursing School as an Older Adult

Taking care of elderly people is never easy. Since they are more prone to infections (1), injuries, and changes in mental status, you have to be prepared and skilled when caring for them. If you are new to geriatric nursing, all these things can be intimidating and overwhelming.
