Committee on Fire Investigator
Professional Qualifications.

Fire Prevention Flashcards | Quizlet

Certification as a Fire Investigator by the IAAI does not determine who shall engage in the practice of the investigation of fires and explosions, nor does it substitute for any licensing or registration required by law. If an individual is not CFI certified, it does not indicate that he or she is unqualified to perform fire investigations.

Certified Fire Investigator (IAAI-CFI®)

The purpose of the Career Path Committee shall be to identify the different professional careers related to fire investigation, articulate the importance of these careers in respect to the industry and our communities, and to identify possible and recommended educational, training, and job experience paths that might be best suited for those careers.
