The Dementia Diaries by Matthew Snyman - Goodreads

The Dementia Diaries is a 'novel in cartoons' which shares illustrated cartoons based on true stories of "the good days, the bad days and everything in between". Directing this initiative from concept to distribution, Emma spent considerable time with all the families involved, working in collaboration with creative film-maker Matthew Snyman, teacher Nicki Komorowski and an advisory board of medical and social care professionals.

Dementia Diaries — humanKINDER

'The Dementia Diaries' by Matthew Spyman interweaves the stories of four young people who have grandparents with dementia. As with most books from Jessica Kingsley, it seems to be a good resource for people who need to understand something more. We meet the four kids and their respective grandparents in a series of chapters that interweave the stories. There are stories of the relationships before and after. The news they got about the onset of dementia.

Amazon.com: Customer reviews: The Dementia Diaries: A ...

The Dementia Diaries is about more than dementia. It is about giving a voice to people who do not have a voice. Ultimately it is about love, relationships and what it means to be human. "...It is also a book about the wisdom of children and young people...it is a book about the surprising depths of love between generations.

The Long Goodbye: Dementia Diaries by Margaret R. Miles ...

I ring mum straight away. Does she want me to book her a time? A positive response means she has a time for her first vaccine and the following booster in 21 days. There is now a light at the end of the tunnel. A Christmas star over head. This is the biggest present we as a family could have, and hopefully the rest of us will receive the same. ...
