True Blue David Baldacci

True Blue is a phenomenal stand alone thriller from David Baldacci. The action begins on page 1 and never stops until the very last word. Baldacci utilizes the short chapter style now adopted by many thriller authors to quickly move the story line and ratchet the thrill factor. I would have given True Blue 5 stars if the ending was different.

Baldacci almost meets expectations I love David Baldacci novels. True Blue was disappointing because of that reason. The main character, a female ex cop, was written as though she was an invincible character in a graphic novel. Mr. B. wrote her as a man would write her. She was too big for the story.
